

Dear parents and students

Please find below the final details regarding your assessment BC ballet exams. Ballet exams are usually scheduled during school hours. Ballet exams are counted as an Educational Activity for students under Victorian Education requirements and hence for those missing a couple of hours of school for the exam, it is counted under the Education setting rather than a direct absence i.e. for a dentist or medical appointment, or missing part of school for a holiday etc.

Students must arrive at their listed time with their hair in an extremely neat sprayed and gelled ballet bun. See video link for how to do a ballet bun for exams: <https://www.youtube.com/watch?v=WMGpNzG47iA>

***The uniform and hair requirements are very strict. Please ensure you have all parts of the correct uniform for your level as per our information booklet (copy and paste link into your browser to view)***
