

Dear Parents

Our Classical Academy students have been working extremely hard towards their August examinations, and we are very proud of the progress they have made throughout the year.

The information below applies to those students who have been selected to undertake a Ballet Conservatoire (BC) Examination in 2026. Selection for a BC Examination is a wonderful achievement and reflects your dancer's commitment, progress, and potential within the Classical Academy program.

As a reminder, participation in the examination is conditional upon attendance at our compulsory school holiday examination preparation program, which will be held on 9th, 10th and 11th July. These sessions are an important part of the examination preparation process and provide students with valuable coaching and rehearsal time in the lead-up to their examination.

The Preparatory level 1, Level 1, Level 2 and Level 3 will undertake their exams in August, whilst the upper levels will undertake their exams in October alongside the RAD Majors sessions.

Please read all information below carefully regarding examination requirements, dates, fees, and commitments.
